## Introduction

He guide hi engati nge kan buatsaih?

### Why this guide exists

Al hman i duh a, mahse khawi aṭanga ṭan tûr nge tih i hriat loh châng a awm tawh ṭhîn em?

YouTube-ah tutorial tam tak awm mah se, English a tam êm êm a, technical terms a harsa baw si, a nih loh leh a zirtîrna (lessons) a lo 'random' deuh baw si vângin beidawngin i bânsan tawh ṭhîn em?

He guide kan buatsaih chhan hi hêng i harsatnate kan hriatthiam vâng a ni.

He guide hi Al expert nih nân emaw, technical lam thûk tak hriat nân a ni lo.

A tum ber chu a nihna takah chuan —

Al hi i study, work, content, writing, translation, leh i daily workflow-ah ṭangkai takin 'practical' taka i hman thiam nân a ni.

Mizo learner tam tak hian Al hi an tuipei hle. Mahse, tutorials tam zâwk hi 'English-heavy' a nih avâng leh technical terms a tam avângin, eng hmanraw (tool) nge a khawi-ah hman tûr tih hrethiam lovin an bânsan leh ṭhîn a ni.

He guide hian chu 'gap' chu hnawh khah a tum dâwn a ni.

Mizo ṭawnga chhiar theih tûrin, 'beginner-friendly' tak leh 'real life examples' nêna inrem tûrin he guide hi buatsaih a ni.

Thil pakhat Chiang takin ka sawi duh a awm:

Al hi i ring tawp tûr a ni tih he guide hian a sawi dâwn lo.

Al chhânna zawng zawng a dik vek lo va, 'copy-paste machine' angin hman tûr a ni hek lo. Al chu nangmah ngeiin i 'fact-check' a, nangma thutlûkna i siam thiam hunah chauh i 'tool' ṭha a ni dâwn a ni.

He guide hian Al hi 'practical', 'safe', leh 'useful' taka hman i thiam nân a pui dâwn che a ni.

He guide i chhiar zawh hunah hian —
